

Membership Application

The Kentucky Oil and Gas Association (“KOGA”) is the industry association for Kentucky’s oil and gas producers. Formed in 1931, KOGA has over 250 member companies representing core industry sectors producers, drillers and field services), associated midstream and downstream sectors (pipelines, transmission and storage, refineries and processors and local distribution companies) and professional services (finance, legal, engineering and surveying).

KOGA proudly serves as the **“Voice of the Industry.”** We’ve got a lot to be proud of and we’re here to carry the message of our industry’s responsible development of Kentucky’s oil and gas energy resources.

Our strength is based on our membership. By coming together, KOGA speaks as one-voice in Frankfort, Washington D.C. and beyond. There’s a great story to be told and we’re here to tell the story of our membership.

We welcome your interest in the Kentucky Oil & Gas Association and look forward to adding another colleague to the association. After reviewing this brochure, we invite you to forward you membership application to us or apply online at www.kyoilgas.org.
